

Station Snapshot

Now you can reach the fastest growing minority in our community with Dane County's only 100% Spanish radio 1480AM WLMV. The Latino population in Southern Wisconsin is estimated at over 38,000! La Movida is an exciting blend of distinct regional sounds that appeal to the entire Latino community & programmed exclusively right here in Dane county! The most unique aspect of Spanish-language radio stations is the time spent listening. The Hispanic population often listens to the radio all day. The entire family listens to one station and tune in, on average, 26-30 hours per week.
